How to reach UNICA

The city of Cagliari

Cagliari is the political, administrative, economic and cultural centre of Sardinia. Inhabited ever since prehistoric times the city sums up the entire history of the island, struggled over by Carthaginians, Romans, Byzantines, Arabs, Pisans, Aragoneses and Savoyards. It is of Phoenician-Punic origin (Karalis) and there are still some imposing Roman ruins to be seen today.

Cagliari – Castello “the Old Town”

Built on seven hills that identify the city districts (Castello, Tuvu Mannu, Tuvixeddu, Monte Claro, Monte Urpinu, Bonaria, San Michele), the city has its originary nucleus in Castello district, the highest point of the city overlooking the surrounding area.

Cagliari – Poetto, the beach

Seven kilometers of white sandy beach inside the city, the favourite destination for every native of Cagliari - “Cagliaritari” - for a break all year around.

Cagliari is the city of angels, full of color, sound, taste and life

The Gulf of Angels

A city suspended among sky, earth and water. Water in Cagliari is not only the sea. A few steps from the long beach lie lagoons and natural reserves unique all over Europe.
