## **Call for interest**

### **Positions of Senior Assistant Professors Economics, Econometrics, Accounting and Management**

The Department of Economics and Business Administration (Scienze Economiche e Aziendali, SEA) of the University of Cagliari ([https://www.unica.it/unica/it/dip\\_scienzeecoaziend.page](https://www.unica.it/unica/it/dip_scienzeecoaziend.page)) is seeking potential candidates for positions of **three-year tenure track Assistant Professor\*** in **Economics, Econometrics, Accounting and Management, Mathematical methods for economics, Finance and Actuarial sciences.**

We aim at recruiting scholars who can enhance the Department standing by providing research leadership and outstanding teaching, and by contributing to the departmental strategic management and governance.

Candidates have to meet the following teaching and research qualification criteria:

**Research:** candidates should demonstrate to be productive in terms of research publications in international highly ranked journals.

**Teaching:** candidates are expected to provide high quality teaching in undergraduate, postgraduate and PhD programme courses.

Knowledge of Italian language is appreciated but it is not required, whereas ability to teach in English is compulsory. There are no restrictions regarding the nationality of the applicants. Equal gender opportunities are guaranteed.

The salary is defined by the rules of the Italian academic system.

The SEA Department will carry out the recruitment procedures following the official selection policy. All the relevant information will be published in the Department's homepage.

For preliminary enquires or to directly express their interest, candidates are invited to send an email to [direttoresea@unica.it](mailto:direttoresea@unica.it), subject: **SEA - CALL FOR INTEREST 2019**, along with their curriculum vitae, detailed information about their current academic position, publications, research and teaching activities and a brief description of their interest for this call.

**The deadline for expressions of interest is May 10<sup>th</sup>, 2019.**

All applications will be processed confidentially.

Thanks to the high quality of its research publications, last year the SEA Department was one of the 13 departments in Economics, Management and Statistics that have benefited from competitive funding granted by the Italian Ministry of Universities, Education and Research (MIUR) under the Italian “Departments of Excellence” program based on the Italian research quality evaluation exercise.

Our Department provides a dynamic research environment in which faculty members and distinguished visiting professors conduct both theoretical and empirical research, which has recently been published in journals such as American Economic Review, American Economic Journal: Macroeconomics, Economic Policy, European Economic Review, Journal of Economic Geography, Journal of Economic Theory, Journal of the European Economic Association, Journal of International Economics, Journal of Mathematical Economics, Journal of Service Research, Annals of Tourism Research, Business Horizon, Industrial Marketing Management; Research Policy, Family Business Review, Journal of Services Marketing, The Journal of Technology Transfer, Technology Analysis & Strategic Management, Accounting and Business Research, Accounting Forum, Accounting History, Accounting History Review, British Accounting Review, Corporate, Governance: an International Review, Financial Accountability & Management, Governance, International Business Review, Journal of Business Ethics, Journal of Management and Governance, and Public Management Review.

**Please note that this is a call for interest, not a job vacancy announcement. The Department will advertise job vacancies later in the year.**

\* According to the provisions of law n. 240/2010, after 3 years, promotion to (tenured) Associate Professor is conditional on achieving National Scientific Qualification (<http://abilitazione.miur.it/public/index.php>) and a positive assessment on research and teaching activities.
